2016 sales revenue: €196M (+3%)

Our consolidated revenue for 2016 amounted to €195.6M, compared with €189.9M for the 2015 financial year, up 3%.

With the French situation in an upswing, our group also continued to improve over the fourth quarter of 2016 at the same rate as during the first three quarters.

International transactions have improved and even generated revenue exceeding that of 2015.

The strategic decisions made in 2016 have had a positive impact, which will be reflected in the financial year's results.

Future prospects

We are continuing our expansion into nuclear energy and strengthening our position abroad, particularly in Switzerland and Germany.

The DLSI Group intends to stay aggressive with its acquisition strategy.

Next event:

Publication of the 2016 annual results, on 18 April 2017 (after market closes)
